Household Hazardous Waste Collection Event

Is your business a conditionally exempt small quantity generator?

Conditionally exempt small quantity generators (CESQG) are businesses that generate a maximum of 220 pounds of hazardous waste in a calendar month. For more details about CESQG requirements, please visit www.epa.gov. **CESQGs must also have an EPA ID number.** If your business does not already have one, you can apply online through the Department of Toxic Substances Control (DTSC) website at www.dtsc.ca.gov/apply-for-hazardous-waste-epa-id-number/.

What is hazardous waste?

Hazardous waste (HHW) is any type of product that requires special handling under environmental law and prohibits disposal as regular waste (trash).

ACCEPTABLE ITEMS:

Hazardous Waste:

- Paint and painting supplies – latex, oil based, thinners, strippers, stains, and finishes
- Automotive products – oil, antifreeze, brake and transmission fluid, automotive batteries
- Cleaning products – drain cleaner, oven cleaner, bathroom cleaners
- Pesticides, herbicides – bug sprays, mouse and rat poison/bait, repellents
- Propane tanks
- Aerosol cans

Universal and other special waste:

- Electronics - TVs, computer monitors, laptops, stereo equipment, DVD players, handheld electronics, cell phones, cameras, printers, scanners, fax
- Batteries (AAA, AA, C, D, 9-volt)
- Fluorescent tubes and bulbs (package to prevent breakage in transport)
- Thermostats, thermometers

PREPARATION

- It is illegal to transport more than 15 gallons or 125 pounds of hazardous waste in your vehicle (Department of Transportation requirement).
- Do not mix products together.
- Materials should be in original containers, clearly labeled.
- All containers must have lids, be sturdy, non-leaking, labeled and protected from breakage.
- Containers larger than 5 gallons will not be accepted.

DOCUMENT SHREDDING

Help prevent identity theft and protect the environment by shredding your confidential documents. There is a limit of ten boxes per car. Shredding is available during the hazardous waste collection event. **Keep shredding separate from hazardous waste.**

Items Not Accepted:

- Asbestos
- Biological Waste
- Fire extinguishers
- High pressure cylinders
- Explosives, ammunition, road flares
- Medical Waste
- Sharps, needles, syringes
- Residential Waste
- General waste, bulky items (trash, recycling, furniture, mattresses)
- White goods (stoves, ovens, water heaters, refrigerators)
- Air conditioners

Year-Round HHW Program Orange County businesses can properly dispose of hazardous waste throughout the year by contacting a hazardous waste company. The County of Orange has a resource listing of companies that provide this service. To view the business referral listing, visit www.oclandfills.com/hazardous/bus or for more information regarding business hazardous waste programs, visit the County of Orange Environmental Health website at www.occupainfo.com/programs/hazwaste.
