JULY

SAN DIEGO SIGHTS & SAIL San Diego Bay Cruise, Waterfront & Seaport Village

#9029.300

Saturday, July 31, 2021

Fee: \$109

DEPARTS: 8:30 AM..... RETURNS: 6:00 PM

Today, we'll escape to San Diego for an in-depth exploration of the San Diego Bay and Embarcadero. As we motorcoach south, we'll enjoy the spectacular ocean views along this protected stretch of coastline. At the San Diego waterfront, we'll stroll along the Greatest Generation Walk to admire several Navy-themed art installations located within a small area. Without a doubt, the largest and most colorful of the memorials is the "Kissing Sailor Statue." This 25-foot-tall statue (officially called "Unconditional Surrender") weighs 6,000 pounds and stands against the imposing backdrop of the USS Midway aircraft carrier. It features a Navy sailor kissing a nurse — designed after the famous photo taken in Times Square on V-J Day. In addition, we'll see the National Salute to Bob Hope and the Military. Located in a plaza surrounded by a grove of

coral trees are 16 larger-than-life bronze figures that represent a typical road show with Bob entertaining troops near the front. Enjoy time at leisure for browsing and lunch on your own at the waterfront shops and restaurants at Seaport Village and the "Headquarters". This afternoon, take in the sights, sounds and stories of the bay on a relaxing cruise that provides a unique perspective of San Diego that you can only get from the water. On this two-hour, narrated harbor cruise covering both the northern and southern ends of the San Diego Bay, you'll get up-close views of the scenic waterfront architecture, military ships, historic landmarks and natural sea life. Cruise under the Coronado Bridge, past U.S. Navy ships and get up-close to North Island Naval Air Station, the nuclear submarine base, historic tall ships and more! The large and comfortable boat features three levels with comfortable indoor and outdoor seating, 360-degree views, restrooms and an onboard snack bar serving snacks, sodas, beer and wine. It's an excellent way to get an up-close, in-depth look at San Diego's scenic beauty and fascinating history with spectacular photo opportunities! *This tour involves moderate walking.* **Price includes Tour Director and Driver gratuities. Departs from La Bonita Park.**

AUGUST

L.A. — THEN & NOW With L.A. Guide Curt

#9028.300

Friday, August 27, 2021

Fee: \$99

DEPARTS: 8:30 AM..... RETURNS: 3:30 PM

On this new tour of Los Angeles, our professional step-on guide, Curt, a history buff with an expertise on the evolution of Los Angeles and especially loved by our guests for his charismatic personality, provides a fascinating perspective of L.A. — from its birth to the latest developments. While Los Angeles is less than 180 years old, in that short time a great deal has been built, and much has been torn down. Like most cities it has suffered the loss of classic old cinemas, Victorian hotels, and grand railroad stations, but recently L.A. has seen an amazing rebirth of original ideas in its art and architecture, and a concerted effort to bring back classic venues that have long been forgotten. On this unique tour, we'll see how Los Angeles has transformed from a tiny pueblo into a sprawling metropolis that is still developing at an incredible pace. We'll begin in L.A.'s downtown historic core

where it all began. Between its most historic buildings is a progressing cultural renaissance and building boom — in fact it's the largest in over a century and has to be seen to be believed! See the latest developments in the Civic Center area including the \$340 million federal courthouse and the \$437 million police headquarters — all part of a multi-year Civic Center Master Plan. See the latest murals and newest developments in the burgeoning Arts District — one of the 'hottest' neighborhoods in the downtown core. What once looked like a warehouse wasteland, has become a beautiful, burgeoning hub for L.A.'s young, professional and creative. See the latest developments near the Staples Center before we continue to Dodger Stadium, the "Taj Mahal of Baseball," which opened in the hills above Los Angeles in April of 1962. And, just like the real Taj Mahal, turns out the architects forgot to include drinking fountains— in fact, this oversight followed Dodgers owner Walter O'Malley to his grave, earning mention in his obituary 17 years later! In Exposition Park, we'll see the historic Los Angeles Coliseum as well as the Banc of California Stadium, home of the Los Angeles Football Club (LAFC). This privately financed, \$350 million, 22,000 seat soccer-specific stadium, is the most expensive in U.S. history. But that's just the beginning... you won't believe your eyes when we see the new SoFi Stadium, home to the NFL's Rams and Chargers. Built at a cost of \$5.5 billion, it's the most expensive stadium ever built in the world! The stadium is the vision of Rams owner Stan Kroenke, who wanted an arena that celebrates Southern California and the indoor-outdoor lifestyle its residents enjoy. Enjoy lunch on your own at Philippe The Original — the L.A. icon that is known as the inventor of the French dip. **Note: Tour has limited walking as it is mostly a driving tour with stops at each location. We do not tour inside the stadiums. Price includes Tour Director, Step-On Guide and driver gratuities. Departs from La Bonita Park.**

Friday, September 17, 2021

Fee: \$109

DEPARTS: 9:45 AM RETURNS: 6:45 PM

Upon arrival, we'll visit Our Lady of the Rosary Catholic Church, the center of spiritual, social and cultural life in San Diego's Little Italy, which recently unveiled its magnificent \$2.5 million restoration. Enjoy time at leisure for lunch on your own at the Little Italy Food Hall — an open-air piazza with locally-sourced food stations featuring mouth-watering Italian fare including wood-fired pizzas, delectable pastas and authentic, creamy gelato. The outdoor patio on Little Italy's Piazza della Famiglia provides an ideal gathering place and the celebration of food! On a short driving tour and guided walking tour using our listening devices, you'll discover hidden neighborhood landmarks that chart Little Italy's story through time — a beautiful church with stunning artwork and stained glass, historic homes from the 19th century, Prohibition alley, an Italian grocery store built in the 1920's and much more! Enjoy time to shop in a landmark Italian bakery, Little Italy's oldest Italian grocery, and a unique Catholic gift shop selling inspirational gifts, many imported from Italy. We top off the day with an included Italian coffee or cappuccino and a delicious assortment of Italian cookies while enjoying live Italian music. This tour involves moderate walking. **Price includes Tour Director, Step-On Guide and driver gratuities. Departs from La Bonita Park.**
