Scout Tours

Scout tours are Museum experiences inspired by Scout journeys and adventures. Your personal guide will lead you through select galleries and a 30-minute workshop. After the 90-minute tour, enjoy the rest of the Museum at your own pace!

Includes all-day admission and a Children's Museum fun patch. First chaperone is FREE; adults and siblings (2 yrs. and up) pay regular Museum admission (\$12/person). Minimum of 10 and maximum of 35 people per tour.

Tours start at 9:30 or 10:00 a.m. and are available every Saturday.

For more information or to submit your tour request, scan the QR code below or call (562) 383-4239.

TOUR OPTIONS:

Incredible Insects

Let's take a peek into the fascinating world of insects- nature's smallest superheroes! We'll meet some live bugs and create an insect sculpture to take home.

The Wonders of Water

Water is wonderful! Learn about our community's water sources and the importance of water conservation. We'll also engineer a pipeline and build a DIY water filter.

California Critters

Who lives in your backyard? How have they adapted to survive? This tour investigates some of the unique animals that call our state home. Scouts will learn about the importance of native species, inherited traits, and make a California Critter to take home!

Ramp and Rollercoaster

Future engineers, this tour's for you! Let's think like a scientist as we design, build, and test ramps using our Rigamajig building set.
