***RESPONSE TO REPORTS OF ICE ACTIVITY IN THE LA HABRA COMMUNITY***

**La Habra, CA:** The City of La Habra has received, and can confirm, reports indicating a presence of U.S. Immigration and Customs Enforcement (ICE) agents within City limits earlier today. While immigration enforcement is under the jurisdiction of the Federal government, the City recognizes that such actions can raise concerns and create fear among members of the public.

The City of La Habra affirms its commitment to fostering a safe and respectful community for all who live, work, and visit here. The City had no prior knowledge of ICE's presence or operations in the community before their arrival. In accordance with California Senate Bill 54, the La Habra Police Department does not participate in immigration enforcement activities and was not involved in the planning or execution of any ICE operations that occurred in the City today. Additionally, La Habra Police Officers do not ask about an individual's immigration status when responding to emergencies or 911 calls.

While the City of La Habra has no control over the activities or actions of Federal agencies or officials, the City, along with the La Habra Police Department, remains committed to keeping our community safe and informed.
